6 November 2009

ISSUE 8 - 06.11.09

Dear Parent,

I hope you had a good half-term break. I am pleased to see that the children have settled well back into school this week. Don't forget next Monday, 9th November is an INSET day.

School Photographs

Please could all orders for school photographs be brought into school by Wednesday 11th November.

Superschools

The children really enjoyed the visit of the Superschools team. Thank you to everyone who has brought in sponsorship money already. Any outstanding money needs to be brought into school by Friday 13th November please.

Remembrance Poppies

Poppies will be on sale at school next week so children may like to bring in some money to purchase a poppy.

CRB Disclosure

Just a reminder that anyone who works or volunteers at school must have CRB clearance. We very much value our parent volunteers and I just wanted to remind you that all volunteers must go through clearance every two years. As disclosure expires for existing volunteers forms are automatically sent out by the school office inviting parents to renew their clearance. If you haven't yet renewed your clearance or would like to apply for clearance for the first time please speak to the school office and you will be able to obtain the necessary paperwork for completion. Clearance takes about 6 weeks from initial application.

Christmas Productions

The children in Oak, Holly and Ash classes will be performing their Christmas Production, 'Born In A Barn' on the afternoons of Wednesday 9th and Thursday 10th December. Willow, Maple and Beech classes will now be providing a carol concert on the evenings of Tuesday 15th and Thursday 17th December and 'Wind In The Willows' will now be performed towards the end of the spring term. 'Wind In the Willows' is an exciting and challenging piece and we want to put on the best possible performance. Unfortunately there has been undue delay in obtaining the script and music score which has left us with insufficient time to prepare for a performance in 5 weeks time. We know that the children are going to really enjoy working towards this production and we hope to produce a stunning performance towards the end of the spring term.

Yours sincerely,

Jeremy Weedon
Headteacher
