National Average	National Average	National Average	National Average	National Average
82%	82%	75%	82%	825

The phonics screening check contains 40 words divided into two sections of 20 words. Both sections contain a mixture of real words and pseudo-words. All pseudo-words in the check are accompanied by a picture of an imaginary creature. This provides a context for the child (naming the type of imaginary creature) to ensure that they are not trying to match the pseudo-word to a word in their vocabulary.
