INTRODUCTION

The Finance Policy has been adapted to reflect the individual needs of Nether Stowey CEVC Primary school and includes specific information relating to procedures and tasks performed in the school.

The Finance Policy is a working document and will be updated to meet any changes, such as staff changes.

The policy will be approved by the Governing Body and will be reviewed annually. Both the approval of the Finance Policy and the date of the future review will be recorded in the Minutes of the Governing Body Meeting.

The Finance Policy is used in conjunction with other Model Policies issued by the LA and in particular:

1. The Financial Management Scheme (FMS)

The Scheme sets out the financial relationship between Somerset County Council (SCC) and the maintained schools which it funds. (Somerset County Council is the Local Authority (LA)). The Scheme contains requirements relating to financial management and associated issues and is binding on both the LA and on schools through their respective Governing Bodies.

SECTION 2 - INTERNAL FINANCIAL CONTROLS

Division of Duties

Division of Duties is the involvement of **more than one** member of staff in the undertaking of financial tasks. **This is very important as it ensures that one person is not solely responsible for any given function and helps protect against possible error/fraud and provides cover for staff absence.**

Below is an example of how the division of duties can work in practice to minimise the risks involved:

- (1) **Individual staff** complete a requisition form for goods and services required.
- (2) **Budget Holder or Head** signs the requisition form, with the appropriate cost centre identified.
- (3) Using the requisition form, the **Finance Officer** prepares orders on the School's Accounting System, having ensured that the goods/services required are within the budget plan and there are sufficient funds in the cost centre.
- (4) **Deputy Head or Head Teacher** checks the official order against the requisition form before signing the order as correct.
- (5) Upon receipt of goods, the **Budget Holder** checks the delivery note, to ensure that the goods listed have been "received" and back to the order to see if any items are outstanding. Checks are evidenced in writing and the delivery note is then passed to the **Finance Officer**.
- (6) When the invoice is received the **Finance Officer** checks the invoice against the delivery note/order and passes to the **Deputy head** who checks the validity before signing for payment.
- (6) **Finance Officer** processes the invoice against the original order on the School's Accounting System.
- (7) **School Adminsator** checks and signs the invoice batch header to allow the **Finance Officer** to upload the invoice to County for payment.

No alterations are made to any invoices. If a change is required, the Finance Officer requests an amended invoice from the supplier.

Refer to [Appendix 3](#) which details Division of Duties for processes i.e. ordering, invoicing and petty cash including cover for absences. In the school all transactions are traceable through the system from start to finish.

Authorised Signatories

Authorised signatories have been agreed by Governors. A list of personnel authorised to sign orders, invoices, cheques, etc. is detailed in the minutes of the Governors' meeting at which they were agreed.

**Authorised signatories have been agreed by Governors.
Currently these are:**

Chloe Holt (Head teacher), Terry Luke (Deputy Head), Jordan Meaker (SLT)

Reconciliation

Reconciliation is carried out by the Finance Officer on a monthly basis, by the last working day of the month following the month of account. The Headteacher checks the computer tabulation sheets for inappropriate transactions and signs to evidence the check.

Form 10 (Reconciliation Balance Summary Form) is checked and signed by the Headteacher and retained by the school **(there is no need for this to be sent to the LA)**.

Records

- Financial and Personnel information needs to be retained for Inland Revenue and HM Revenue and Customs purposes. See [Appendix 2](#) for details. Documents are archived annually by the Finance Officer, as appropriate.
- A written log of any instances of fraud, theft **or incidents/irregularities** detected in the last 12 months, **must be kept** in order to identify patterns of misconduct and any weaknesses in the current arrangements which need to be addressed.
- For expenditure including large purchases and contracts, the school should ensure that a formal written contract is in place, explaining the work performed and all outputs expected, the time period covered and rate chargeable. A copy of the contract should be retained by the school.

SECTION 3 - BUDGETING/FINANCIAL MANAGEMENT AND PLANNING

Funding

The majority of the funds received by school are delegated through the LA via the annual Individual Schools Budget Statement. This allocation is calculated using a formula based on several factors which affect the school's funding. Additional allocations or deductions may be made throughout the year. The school also has the opportunity to raise additional funds (income) e.g. via lettings or FONSS organised events.

Preparation of the School Budget

Schools should ensure the priorities within the School Development Plan (SDP) contain accurate financial estimates and form the driving force of the budget with an emphasis on value for money.

The Headteacher is responsible for preparing the budget **linked to the SDP**. Initially, this will be considered by the Buisness Committee prior to approval by the full Governing Body.

Any budget surplus or deficit is reviewed and addressed by the Buisness Committee **referring back to the SDP**.

If, when setting the budget, a deficit budget is envisaged prior permission must be sought from the Service Manager, Schools Funding and Accounting before being accepted by Governors. A draft budget plan together with a proposed recovery plan must be submitted to CYPFinance@somerset.gov.uk for consideration and approval. (See 4.4.1 of Financial Management Scheme)

When looking at the school budget the following should also be considered:

Buildings : Maintenance and repairs

Governing Bodies are responsible for all necessary maintenance and repairs. (refer Section 11 – Premises Issues of the Financial Management Scheme).

The County Council can provide services to schools and academies in this respect. Contact Support Services for Education - Property and Ground Services for further details. Email: (Property@somerset.gov.uk or grounds@somerset.gov.uk)

Energy Management

Managing energy usage and rectifying energy waste will assist schools to:

- **Reduce bottom line spend**
- **Minimise Carbon Footprint**
- **Create better working environment for staff and students**

Guidance is available online at Somerset.gov.uk – [Saving Energy at School](#)

Budget Monitoring and Reporting

Regular monitoring of income and expenditure against the agreed budget is central to effective financial management.

After the monthly reconciliation between the School's Accounting System and the County Council's Accounting System, budget monitoring reports detailing income and expenditure are produced for the Headteacher and budget holders.

The Headteacher analyses the monthly report to identify any variances/unexpected expenditure and takes appropriate action.

Budget holders receive and review their monthly reports comparing the amount committed/spent against their budgets.

The budget monitoring report is presented regularly (**at least once a term**) to the Business Committee/**Governing Body**. The report includes explanatory notes, details of budget movements, estimated outturn at the end of the financial year and any remedial action taken/required, or items requiring further discussion/approval.

If it is anticipated that the school may go into a deficit situation by the end of the financial year, the Headteacher will inform the Service Manager – Schools Funding and Accounting Team immediately, with a proposed course of action to recover the deficit.

Carry forwards at the end of year will be discussed with the business Committee /**Governing Body** to decide how any uncommitted money will be spent **in line with the SDP**.

Virements (Budget Movements)

The Governing Body has agreed that budget virements of up to £5000 can be actioned, without its prior approval, to allow some flexibility within the everyday running of the school.

The Business Committee is responsible for authorising, in advance, virements exceeding £5000, a figure agreed by full Governing Body.

A member of the business committee or the Chair of Governors is empowered to authorise virements that have been recommended by sub committees by signing the virement form in advance of money being moved. Virements are then reported in the next Finance Report. ([See Section 1 finance committee](#))

All budget virements are recorded on a virements form by the Finance Officer and authorised by the Headteacher in advance of being actioned on the School's Accounting System. They are reported to the Governing Body at the next available opportunity.

Any internal journals (transfer of income or expenditure between Cost Centres) for significant amounts are printed and authorised by the Headteacher. They are reported to the Governing Body at the next available opportunity.

Forward Financial Planning

In light of estimated or known pupil changes, forward budget plans are projected and considered by the Governing Body. **These plans should be linked to the SDP for raising**

standards and attainment and should be costed to ensure there are sufficient available funds within the budget if implemented. It is good practice for the school to plan over the medium term i.e. 3 years.

[<Contents](#)

SECTION 4 - PURCHASING

Orders/Contracts are only entered into after ensuring that value for money principles have been followed. This includes investigating any available subsidies or discounts for activities, services and goods. Every contract entered into by a school must be made or confirmed in writing.

The de minimis level, above which a purchase is treated as capital expenditure is £1000

Governors' approval is required for orders of an individual item exceeding £5000 and this should be recorded in the minutes of the meeting.

Limits set should be reviewed regularly by the Governing Body and documented in the minutes.

Contracts

Copies of all contracts entered into are retained by the school to enable compliance with terms and conditions to be monitored.

Any contracts must comply with the Local Governments Acts, EU regulations and other legislation governing the expenditure of public funds.

Schools are required to abide by the Council's [Contract Standing Orders - B](#).

Thresholds and procedures are reviewed regularly and further reference should be made to the following when drawing up the School Finance Policy:

- The Financial Management Scheme Section 2.10
- [Procurement Thresholds](#).

NB: Post-Brexit, the UK procurement thresholds are governed by the WTO's GPA. These thresholds are not subject to review or change until January 2022, so thresholds will remain largely the same as the usual, EU figures for now. However please note [PPN 08/20 November 2020](#).

The value of a contract is calculated as the amount per annum multiplied by the number of years duration:

- If taking out a 3 year contract at £15,000 per year this would be worth £45,000
- If taking out a 3 year contract at £50,000 per year this would be worth £150,000.

Different processes are required for different types of contracts and for different values.

1. BEST VALUE FOR MONEY PROCESS:

Officers will be required to demonstrate that they have secured best value with a minimum of one written quotation by a supplier.

2. THREE QUOTE PROCESS:

- Details of three prospective suppliers and a selection criteria
- Details of the pre-determined award criteria
- At least **three** competitive quotes and supporting documentation
- Record of assessment of quotes and any correspondence with evidence of best value secured.

In all cases if the required number of quotes cannot be obtained and if the lowest quote is not accepted, the reasons are reported to the Governing Body and recorded in the minutes of the meeting.

If a school is unable to obtain three written quotes, a waiver must be obtained. This can be done through the Strategic Manager, Adults and Childrens Finance (mjyoung@somerset.gov.uk) or the Service Manager, Schools Funding and Accountancy Team (SFAT) (kerushton@somerset.gov.uk).

3. TENDER PROCESS:

- **Two tender processes are in place for either up to EU Threshold or over EU Threshold (OJEU)**
- Where tenders are sought, the criteria to be used in the selection of the successful tender are established **prior** to advertising or receiving tenders. The Governing Body takes responsibility for the safe receipt, storage and opening of tenders where necessary. (See SCC Contract Standing Orders for full process and rules).
- A record is kept of how and from whom tenders are sought, what tenders are received, who the successful tender is and the reason for not accepting the lowest tender. A Contracts Register is maintained for this purpose.

For **all** purchases **up to £50,000** in value the **BEST VALUE FOR MONEY PROCESS** is to be used.

Contracts for Goods and Services

- For contracts between £50,000 and £100,000 in value the **THREE QUOTE PROCESS** is used.
- For contracts from £100,000 up to the EU Threshold the **TENDER PROCESS without OJEU** is used.
- For contracts over the EU Threshold the **OJEU TENDER PROCESS** is used.

Contracts for Works

- Contracts between £50,000 and £250,000 in value the **THREE QUOTE PROCESS** is used.
- Contracts from £250,000 up to the EU Threshold the **TENDER PROCESS without OJEU** is used.
- Contracts over the EU Threshold the **OJEU TENDER PROCESS is used**

Where the school is engaging in works such as building or decorating where Construction Industry Tax (CIT) applies, the Finance Officer ensures that the supplier is registered under the scheme before accepting them to carry out the work.

Copies of all contracts entered into are retained by the school to enable compliance with terms and conditions to be monitored.

Also see the SCC Contract Standing Orders flow charts for quick guidance.

Schools may contact the Commercial and Procurement Team (CPT) when considering contracts for goods, services and works. This is a chargeable service. If you do not wish to engage their support you should refer to the [Buying for Schools general guidance](#) on Gov.UK.

Requisition and Ordering

Requisition forms **must** be completed by staff and signed by the budget holder, who ensures that the expenditure has been included in the budget plan and that there are adequate funds to make the purchase.

On receipt of approved order requisition forms, orders are processed for all planned expenditure except for supplies of public utility services and items purchased through petty cash of not more than £200 in value.

All official orders are printed on controlled stationery and signed by the Headteacher or another authorised signatory taking account of division of duties.

The authorised signatories are:

- 1) Mrs Chloe Holt
- 2) Catrin Davies
- 3) Mr Jordan Meaker

All official order stationery is kept secure in a locked cabinet. The order stationery control sheet is updated for all orders including order sheets spoilt.

Outstanding orders are reviewed regularly, cancelled or followed up as necessary. If cancelled, a reason is written on the copy order for audit purposes.

Orders are not raised on behalf of, or for the benefit of, private individuals or organisations.

Telephone orders are discouraged and only used in exceptional circumstances. If an order is placed in this way, it is made clear that it is subject to SCC terms and conditions and written details are supplied immediately to the Finance Officer to enable a confirmation order to be raised on the School's Accounting System and sent to the supplier.

Delivery Notes

All delivery notes are checked upon receipt of goods, to ensure that the goods listed have been "received".

Delivery notes are also checked against the order by budget holders. Checks are evidenced in writing and the delivery note is then passed to the Finance Officer.

Discrepancies are followed up by the Finance Officer.

The inventory is updated for items of furniture, equipment etc. of £200 or more.

Payment of Invoices

Where goods are provided by a supplier who is registered for VAT, a valid VAT invoice is obtained.

Payments to individuals (other than some contractors subject to Construction Industry Tax) who supply goods or services to the school (eg tuition, performances etc.) are made via the payroll system.

The Finance Officer checks the delivery note to the invoice, to ensure that the school is only charged for goods received. The delivery note is attached to the invoice. Payments are not made from statements or "brought forward balances".

The invoice is then passed to the Deputy Headteacher for authorising **prior** to the Finance Officer processing on the School's Accounting System. The printed authorisation list is also certified by the School Administrator before either the file is transmitted via the Interface to County (for central payment schools) or a cheque is raised (for local payment schools). The invoice is attached to the authorisation list.

Leases

When considering a lease arrangement, the school only enters into an operating lease arrangement and not a finance lease or hire purchase as the latter are a form of borrowing. Operating leases involve the school paying a rental fee for the hire of an asset for a period of time, and are similar to a rental agreement.

Guidance for checking lease agreements is available on [iPostID-2-5976](#)

The LA requires all maintained schools to complete an annual return at year end detailing any leases that schools have entered into and confirming that they are not finance leases. **The Headteacher ensures that a signed copy of the annual leases return is sent to the LA.**

[<Contents](#)

SECTION 5 - INCOME

Income can be vulnerable and the income collection system should meet the following objectives:

- All income due to the school is identified and collected.
- All income is receipted and banked promptly and completely.
- There is a clearly documented audit trail from receipt through to banking for all transactions.

The school has a Charging and Remissions Policy (separate document) and a Lettings Policy in place (See [Appendices 4.1](#), [4.2](#), [4.3](#) and [4.4](#)). These are adhered to at all times.

Adequate division of duties reduces the risk of error and fraud in dealing with income. The person collecting income is different from the person that records and banks the income with record of officers involved in this process evident. (An example of Division of Duties is listed in [Appendix 3](#).)

Income from Sales on eBay

Schools may auction items on eBay or facebook market place. However they must adhere to the following advice:

- the school should risk assess the sale of all items, for example by making sure they are in good working order, with particular attention to electrical appliances.
- Schools are covered for liability under the Products Liability part of SCC's insurance. The insurance **does not cover** the cost to the school of refunding the transaction itself, i.e. reimbursing the purchase for a faulty item and postage and packaging, etc.
- c) The school should be aware of eBay's [terms of use](#), in particular the Compensation clause.

Raising Invoices

An account is raised by the Finance Officer via the school's own billing system, ensuring the invoice complies with the requirements for a tax invoice, eg SCC VAT number, sequentially numbered, etc. An invoice is sent to the customer for goods and services provided.

Collection and Banking of Income

This comprises several stages:

(i) Cash Handling

Cash Handling guidance, as recommended by South West Audit Partnership (SWAP), is adhered to at all times.

SWAP recommend that on school sites where cash is collected and banked locally that the safety of the individual is considered and that clear and up to date guidance is provided for banking:

At all times:

- Do not count cash where the public/visitors can see.
- Prior to banking, keep cash and cheques locked away securely in the safe, out of site of the public/visitors.
- Bank income regularly, so that a minimal amount is kept on the school premises and so that a large amount of cash does not have to be carried to the bank.

In accordance with recommendations from SWAP, individuals undertaking banking are advised to:

- **Think about your personal safety. If attacked, surrender cash.**
- If possible travel by vehicle rather than on foot or by public transport.
- As far as possible vary the times and route taken to the bank, especially on foot.
- Bank only during good daylight hours if possible and avoid quiet streets and alleyways.
- Be aware of what is going on around you. Walk in the centre of the pavement facing the oncoming traffic.
- Never let members of the public know where you are going when you leave the office.
- Take care how you inform your colleagues of your absence but do let your manager know of your departure and expected return time.
- Keep with you a means of communication to let your manager know if you are delayed.
- Do not draw attention to the fact you are carrying cash. A box file or a strong shopping bag or even an inside coat pocket are preferable to a brief case or cash bags.

To ensure that staff are aware of cash handling procedures, SWAP recommend that the school completes the following self assessment:

- Have you provided training in personal safety for your secretary/administrator?
- When banking money, are the day and times varied to avoid a routine becoming known to others?
- When banking money, is the route taken varied to avoid a routine becoming known to others?
- Are amounts kept to a minimum by regular banking?
- Does the person going to the bank inform their manager of departure and expected return time?
- Has the person been given instruction to give up the money if accosted?
- Has the person a means of contact in case of unavoidable delays?

(ii) Recording

Income collected in class is recorded on record sheets by class teacher or teaching assistant. The income is then taken to the Finance Officer, who checks and signs for it. This is minimal as most incomes now go through Scopay. All other income received by staff in the School Office is recorded on record/monitoring sheets.

If appropriate, receipts can be issued, eg swimming, dinner money, trips. In some cases, eg trips, this may be produced as part of the returns slip.

Income is recorded on the School's Accounting System promptly ensuring the correct VAT treatment is applied, and the authorisation slip is printed.

Bank paying in slips and electronic coding slips are completed in full.

(iii) Reconciliation

Reconciliation of income is carried out on a monthly basis by the Finance Officer, ensuring that all income banked has been received.

Independent checks are made by the Headteacher to ensure that all income expected has been recorded, banked and received. Evidence of these checks is made in writing.

Debts Policy

The Finance Officer monitors outstanding debts regularly, and pursues bad debts.

Effective action is taken to pursue non payment of debts within defined timescales.

Where money is not recovered, the matter is referred to the Buisness Committee, who may write off the debt providing the total amount of debt written off in a financial year does not exceed 1% of the school's delegated budget share for the year.

Subject to the paragraph above, debts due from a single debtor up to a total value of £1,000 including VAT in any one financial year may be written off, but only on the direct authority of the Governing Body, that is, by resolution at a Governing Body meeting. In this event, the school should refer to the Financial Management Scheme ([see sections 2.1.8 and 2.1.9](#)).

The school will maintain a record of all debts written off showing what attempted recovery action has been taken and the justification for non-recovery.

Online Payment Systems

The school uses Scopay /Tucassi for online payment systems. This was set up with agreement with the LA

SECTION 6 - PETTY CASH/IMPREST

Petty cash is a small sum of money, which is held in a separate bank account. When expenditure is incurred, a claim is completed and sent to the LA which charges the school's budget and reimburses the bank account. This is called an imprest system whereby the account is always topped back up to a fixed float / advance of £880. The school is issued with a chequebook and receives monthly statements of the account transactions.

Petty Cash is used to reimburse staff for approved purchases on behalf of the school upon production of a valid receipt for:

- Cash payments too small for an order to be acceptable
- Emergency purchases where immediate settlement is required
- Purchase of postage stamps
- Obtaining greater discounts for settlement by cash/cheque
- Obtaining goods/services from suppliers who do not accept official orders

Petty Cash is NOT used for:

- Making payment to staff including salaries, travel or expense claims.
- Paying for services such as mobile telephones, fuel or services that may be liable to Construction Industry Tax
- Making payments to individuals (e.g. theatre groups, authors, musicians, self employed) who require cheques to be payable to them personally (except window cleaners and piano tuners who use their own equipment)
- Cashing Personal cheques
- Paying in income (to the Petty Cash account)

Using the Petty Cash Account

Items can be paid for by cheque or cash. If cash is required, a cheque is drawn for the cash. Both the chequebook and cash (if any) are kept securely in the safe.

The recipient signs for any cash received.

The Governing Body has agreed three signatories. Two of the authorised signatories are required to sign each cheque. **Blank cheques are never signed.**

The authorised signatories are:

- 1)Chloe Holt
- 2)Terry Luke
- 3)Jordan Meaker

Receipts are obtained wherever possible for all items purchased from the Petty Cash account. (If a receipt isn't available, a petty cash voucher is completed instead.)

If VAT is charged on an item, a valid VAT receipt is obtained. (If a VAT receipt cannot be obtained, a petty cash voucher is completed and authorised but no VAT can be reclaimed.)

All receipts and petty cash vouchers are authorised by the Headteacher and promptly entered by the Finance Officer onto a cheque/cash control sheet. Details are then entered onto the School's Accounting System either at the time of purchase or on a weekly basis.

All expenditure of more than £100 is approved by the Headteacher before the money can be spent. An order is raised on the School's Accounting System which is signed by an authorised officer, retained at the school and cancelled once the petty cash expenditure has been entered.

A reimbursement claim is completed regularly, at a minimum when approximately half the float has been spent. The claim is checked and authorised by the Headteacher before being submitted for reimbursement.

When the reimbursement is shown on the bank statement, the Finance Officer records the reimbursement on the School's Accounting System. Reconciliation of the imprest is completed every time a claim is made, including verification of the cash held in hand. **Evidence of reconciliation must be retained.**

SECTION 7 - ASSETS

The school has many valuable items in use throughout the site. Some of these items are fixed, but many are portable and therefore may be vulnerable to theft.

Inventory

All items purchased above £200 (together with portable items under £100 e.g. ICT equipment/ digital cameras) are recorded in the school inventory upon receipt, giving full details of:

- Value
- Date purchased
- Description
- Serial numbers (where applicable)
- Useful life
- Location within school

The Inventory is checked annually against the asset register by the Headteacher and a Governor, with any discrepancies being investigated. Evidence of the annual check is retained.

A record is maintained of all authorised disposals, including the proceeds of the sale, the date of transaction and the name and address of purchaser, and minuted in Governors meetings.

A booking out system is employed where any goods are taken off site. The system includes the following details:

- Name of borrower
- Item borrowed
- Date borrowed
- Condition of goods when removed
- Date returned
- Condition of goods when returned

Cash/Cheque books

Cash and cheque books are kept in the safe when not in use.

The value of petty cash held within the school is kept to a minimum.

Income collected from pupils is recorded and banked as soon as possible, preferably within two working days, in order to ensure only minimum levels are held on the premises.

Stock

All consumable stock is stored centrally in the stock room. This is locked at all times to avoid the misuse of stock which leads to unnecessary ordering.

A physical check is carried out annually to ensure that stock is kept at a reasonable level.

SECTION 9 - COMPUTER SYSTEMS/DATA SECURITY

From 25th May 2018, The Data Protection Act (DPA) 1998 has been superceded by The UK General Data Protection Regulation (GDPR) and the Data Protections Act 2018.

Schools can view the guidance for Education offered by the Information Commissioner's Office [HERE](#) and should amend their Finance Policy to read UK GDPR/Data Protection Act 2018 instead of DPA 1998.

The School and Governing Body pay a [fee to the Information Commissioner's Office](#). The School are the Data Controller and are responsible for controlling access to all data in the school in accordance with the data protection legislation and to ensure that all staff are aware of their responsibilities/obligations at all times. The School will appoint a Data Protection Officer to monitor internal compliance, inform and advise data protection obligations, provide advice regarding Data Protection Impact Assessments (DPIAs) and act as a contact point for data subjects and the Information Commissioner's Office (ICO).

All information relating to personnel is processed in line with the 6 principles of UK GDPR:

- obtained and processed in a lawful, fair and transparent manner
- held only for specified lawful purposes
- adequate, relevant but not excessive for those purposes
- accurate and up to date
- Retained for no longer than is required
- kept securely.

All personnel have the right to a copy of the personal data that the School is processing. This is a Data Subject Access Request and must be provided within 1 calendar month unless exceptional circumstances apply. Personnel also have the right to have their information rectified, deleted or restricted, unless the School have responsibilities that override these rights.

Any new use of personal information, including the sharing of personal data with other agencies, should be notified to the Information Commissioners Office (ICO) and the relevant pupils and staff.

Offences against the Data Protection Act 2018 are criminal and individuals will be held personally responsible.

Access/Security

The purpose for controlling access is to ensure that only authorised personnel are able to access information that is relevant to the tasks for which they are responsible. It prevents unauthorised access to information which could result in accidental or deliberate corruption of the data and which might contravene data protection legislation.

- The Headteacher is responsible for the overall control of all systems, with the Deputy covering for absence.
- Access rights are determined, monitored and reviewed regularly by the System Manager.
- Staff will only have the level of permissions required for their role. When staff leave the School all their permissions and accounts will be archived then deleted.
- All devices (laptops, tablets, memory sticks) that have access to data attached to the network are fully encrypted in line with current guidance from Schools ICT at Somerset County Council.

- Computers are not left easily accessible by unauthorised users.
- Computer screens are locked (by password/locking the workstation) if left unattended.
- Any software installed onto the schools network is protected through a virus guard so that any files received from outside sources can be virus checked before being opened.

Cloud Technology

Where cloud technology is used to store personal or confidential data the school ensures that the supplier adheres to data protection legislation.

More information can be found on [Gov.UK](https://www.gov.uk).

Back Up

Back up is carried out automatically every night and the backed up data is stored remotely.

It is the school's duty to make sure that backup procedures have worked. Further information about backup should be available from the School's ICT support.

Transmission of Data

The transmission of personal or confidential data must always be over secure channels and the school ensures that any methods used, including email, do not lead to breaches of data protection legislation.

Computer Printouts

Each month, details of expenditure as recorded on the County Council's Accounting System relating to the School's budget are downloaded and printed. These printouts are stored in a lockable cabinet as they contain personal information relating to staff employed at the school.

SECTION 10 - PERSONNEL/PAYROLL

Regulations

The school is aware that there are a number of areas where Inland Revenue regulations affect or determine the way payments are made. In particular, these relate to individuals who are self-employed and where individuals/companies are subject to Construction Industry Tax Scheme.

Controls are in place to ensure appointments are cleared through the Disclosure and Barring Service (DBS). Also, controls are in place to ensure that additional checks are made where required for a staff member's eligibility to work in the UK and their suitability to work with children.

Payroll

No employee can certify payroll expenditure from which he or she might personally benefit.

The Chair of Governors signs any amendments to the Headteacher's contract.

Links with SIMS FMS

Contract information held within SIMS.net Personnel feeds through to SIMS FMS providing salary and on-cost projections. The Finance Officer ensures that SIMS.net Personnel is kept up to date with any contract changes and also with salary, Superannuation and National Insurance changes.

Pay Policy

The school has a separate Pay Policy which is reviewed annually by the Headteacher and Personnel Committee.

Whistleblowing Policy

The School has a separate Whistleblowing Policy, the implementation of which is reviewed and communicated to staff regularly. Further information can be found on the following sites:

[Guidance and Code of practice for employers](#)

SECTION 11 - UNOFFICIAL/VOLUNTARY FUNDS

Unofficial funds are monies that do not belong to Somerset County Council but for which employees of SCC are accountable during the course of their employment. The funds arise from contributions or donations other than from the Local Authority (LA). Consequently it does not hold any official monies of the LA

All staff involved with Unofficial School Funds must ensure that their actions comply with The Financial Management Scheme ([Section 2.8](#)). It is the responsibility of the Governing Body and Headteacher to provide an overview of the Unofficial Fund and ensure the day-to-day administration and operation of the Fund is carried out with as much care and diligence as the school's delegated budget (Official Funds).

Purpose of the Unofficial Fund

The purpose of an Unofficial School Fund is to hold the proceeds of fund raising events and donations made by individuals or organisations and spend them for the benefit of the pupils.

The Unofficial Funds comprise:

- General donations i.e. funds donated for the general benefit of the school
- Specific donations i.e. funds donated with contingent terms
- Fund raising activities
- Charity collections
- Book Club income
- After-school activities (tennis/cricket etc)
- School trips
- School photograph income

The Unofficial Funds are spent on:

- School trips
- Gifts to volunteers for services to the school
- Coach hire
- Productions
- Book club expenditure
- Photographs

Management of the Unofficial Fund

The funds are controlled by the Headteacher and Governors of a school maintained by the LA.

The Headteacher ensures that governors are informed that the school holds unofficial funds and are aware of their purpose.

The Headteacher delegates the operation of unofficial funds to Finance officer **However, the Headteacher is responsible for approval of all expenditure from the account.**

Reports are made to the business Committee concerning the balances and activities of the funds annually and this committee monitors performance closely.

Separation of Funds

This fund is kept completely separate from the Official Fund. It has independent records and has its own bank account accruing interest. The two funds are never involved in the same transaction/activity. (It is recognised that some transactions can go through either

official or unofficial funds, but the income and related expenditure always go through the same fund.)

Accounting Procedures and Records

The Unofficial Funds are managed with as much care and diligence as the school's delegated budget (Official Funds) and therefore accounting procedures must adhere to other sections in this Finance Policy, [Section 4 – Purchasing](#) and [Section 5 – Income](#). Proper accounts are kept of receipts and payments relating to unofficial funds.

(i) Income

As soon as money is received, it is sent to the Finance Officer for recording and for banking at the earliest opportunity. Receipts are issued using a numbered, duplicate receipt book. Where money is being collected in instalments from pupils, a collection record card is maintained for each pupil.

All cash income is paid into the bank in full and is withdrawn as a cash cheque when it is required, no matter how short the time between banking the cash and drawing the cheque.

(ii) Authorised Expenditure

Any money paid out is by cheque.

All cheques are signed by a minimum of two out of three authorised signatories. Blank cheques are never signed or issued.

The Governing Body has agreed three signatories:

- 1)Chloe Holt
- 2)Terry Luke
- 3)Jordan Meaker

The governing body has agreed that the following person administers the school fund:

- Heather Hillman

Wherever possible, an invoice or a signed receipt covers all payments. If no receipt has been obtained, a payment voucher, authorised by the Headteacher covers all reimbursements of payments made.

Copies of paid invoices are retained for all purchases to ensure that the records are comprehensive.

All payment vouchers are numbered, dated and filed.

(iii) Reconciliations

Regular reconciliations of the bank statements to the accounting records are completed monthly by the Finance Officer and independently checked by the Headteacher. Evidence of these checks is made in writing.

Auditing of Accounts

The Governing Body appoints an auditor who is independent of the school and is not involved or related to anyone involved in the running of the funds. (It is not normally necessary for the auditor to be a registered auditor or qualified accountant.)

The accounts are audited at the end of each academic year (i.e. 31st August).

Auditors are entitled to seek and to obtain any information and explanations required from members of the staff concerned with the operation of the fund and all records are made available to them.

If a cost is incurred in obtaining the audit, this is met from the fund.

The Headteacher ensures that the accounts are prepared annually, audited and presents the audited accounts, the auditor's certificate, the audit checklist and a written report on the accounts to the Governing Body as early as possible in the Autumn Term.

The LA requires all schools to complete an Unofficial Funds Audit Checklist and an Annual Audit Certificate for their Unofficial School Fund (or a nil return if they do not have one). **Once accepted by the Governing Body, the Headteacher ensures that a signed copy of the Year-End Statement of Accounts, showing details of income and expenditure, for all Unofficial Funds is sent to the LA along with the Annual Audit certificate and the Unofficial Funds Audit Checklist.**

Insurance

The Governing body ensures that the fund is covered by insurance including fidelity guarantee insurance.

Charity Commission Registration

- Schools' unofficial funds would normally be required to register as charities with the Charity Commission if they are established for exclusively charitable purposes and if their total income exceeds £5,000 per annum.
- Becoming a charity will allow the fund to be eligible for various tax reliefs and may also help in obtaining grants from other charities which can make grants only for charitable purposes.
- Where the school fund has charitable status, the Governors will normally be the trustees of the charity.

(See Charity Commission Website <http://www.charity-commission.gov.uk>)
Charity registration number: 1037544

SECTION 12 – CHARGING FOR SCHOOL ACTIVITIES

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities. No charges can be made unless the governing body of the school has drawn up a Charging and Remissions Policy. The policy must be made available to parents and must be kept under regular review.

(A Model Charging and Remissions policy is available on Somerset [IPOSTID-2-5676](#): This model has been used as a basis for the school's own policy, and was completed / amended to suit the school's own individual arrangements.)

The following guidance has been taken into account in the school's Charging and Remissions Policy

Guidance on Charging

In general, all education provided during school hours is free, though music tuition can be an exception to this (see below).

(i) Residential School Visits

Schools cannot charge if 50% or more of the time spent on the activity is in school hours or if the activity is part of the national curriculum. If a charge is made the cost must not exceed the actual cost; ie the school must not make a profit. However, schools may charge for the cost of board and lodgings during overnight school trips. The charge must not be more than the accommodation actually costs and parents who are in receipt of certain benefits are required to pay 50%. (*See Remission of Charges below.*)

(ii) Music Tuition

Charges can be made when the tuition is not an essential part of:

- the National Curriculum
- a public examination syllabus
- first access to the Key Stage 2 instrumental and vocal tuition, Wider Opportunities programme
- Catering for the individual needs of an SEN/ Pupil Premium child

(iii) Breakages And Replacements

Schools can charge for breakages and replacements as a result of damages caused wilfully or negligently by pupils.

(iv) Extra-Curricular Activities And School Clubs

School can charge for extra-curricular activities and school clubs. The charge cannot exceed the actual cost of the provision.

Voluntary Contributions

Schools can ask parents for a voluntary contribution towards the cost of:

- any activity which takes place during school hours
- school equipment and
- school funds generally

In the example of an activity, if it cannot be funded without voluntary contributions, the school must make this clear to the parents at the outset. The contribution is voluntary and pupils of parents who can't, or don't want to, contribute must not be excluded from the activity. If insufficient voluntary contributions are raised then the activity can be cancelled.

Remission of Charges

When a school informs parents about a school visit, they should make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances
- Income Support
- Income Based Jobseekers Allowance
- support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided they do not also receive Working Tax Credit and have an annual income, assessed by the Inland Revenue, that does not exceed £16,190 (Financial Year 2013/14)).
- Guaranteed State Pension Credit
- An income related employment and support allowance that was introduced on 27 October 2008.

Further information on charging for school activities can be found on the DfE website -

<https://www.gov.uk/government/publications/charging-for-school-activities>

LETTINGS POLICY

This sets out the arrangements for the use of the school premises by groups, individuals or organisations.

It should be read in conjunction with the LA's advice and guidance on Lettings and Lettings Insurance. Refer to websites for information on extended schools via SLP or DfE. (See links under Insurance Section.)

All hirers of the school premises will be made aware of the hire costs, terms and conditions, including insurance requirements, **before** the hire and the agreement is signed (see [Appendix 4.2](#) and [Appendix 4.3](#)). Fees should be charged in advance; only in exceptional circumstances should invoices be raised after the event.

Hire charges, where set, will be reviewed annually by the Headteacher and Governors. The charges will cover any costs incurred, ie heat and lighting, caretaker and insurance. Current charges are as follows:

- Caretaker costs are based on the current rates issued by Somerset County Council's HR Admin and Payroll Section based on the number of rooms hired.
- An element for heating and lighting is added based on advice from Somerset County Council's Energy Management Team.
- Public Liability insurance (to cover the hirer's liabilities) is added to the hire charge at the current rate of 12% (issued by Somerset County Council's Insurance Section).

Charges to children and youth groups may be subsidised if funds are available for this purpose. This is to be agreed on individual circumstances by the Headteacher and Governors.

There is currently no charge for the use of the premises by the PTA.

NB: In VA schools the Governors are entitled to any income over and above costs incurred (Financial Management Scheme 5.2.1).

**SOMERSET COUNTY COUNCIL
LETTINGS OF COUNTY COUNCIL PREMISES
HIRERS' LIABILITY INSURANCE**

The County Council requires that any individual or organisation hiring Somerset County Council schools and other premises on a casual basis has insurance for their own legal liability to third parties arising from their use of the premises.

Subject to the Exclusions below the County Council is able to offer [Hirers' Liability insurance](#) to any Hirer that cannot provide evidence of other insurance.

This insurance indemnifies the Hirer against their legal liability to pay damages or compensation arising out of or from:

- a) personal injury to any person (other than personal injury to an employee of the Hirer arising out of or in the course of employment by the Hirer);
- b) damage to the premises (including contents therein) hired from the County Council;
- c) damage to any other property not belonging to or in the custody of the Hirer or any person in the Hirer's service;

occurring during the period of the hire and arising out of the activities of the Hirer for which the premises were hired.

This insurance is subject to a limit of indemnity of £5,000,000 and the Hirer will be required to pay the first £100 of each claim.

It is a requirement of the insurance that the Hirer must take all reasonable precautions to prevent accident, loss, damage or injury.

The premium for the insurance is added to the hiring charge. The insurance is also available to hirers where the County Council makes no charge, although it is expected that outside organisations eligible for free use of premises will normally make their own insurance arrangements. If insurance is required in the absence of a hiring charge the County Council will calculate a premium equivalent to that payable on a chargeable letting for a similar period of hire.

The County Council does not offer insurance for other risks associated with hire of premises, such as loss of money or tickets or cancellation of events due to adverse weather.

This document is a summary of cover. Full details of the insurance are available from the Insurance Department, Finance and Performance, County Hall, Taunton, TA1 4DY. Email: insurance@somerset.gov.uk

Exclusions

These insurance arrangements are not available to commercial organisations such as exhibition promoters or professional entertainment companies, as we expect those types of hirer to have their own insurance.

The insurance will not apply to the extent that the Hirer is indemnified under any other policy of insurance.

The insurance excludes any claim for personal injury or damage arising out of the use of the premises for:

- a) meetings organised by political parties;
- b) professional entertainment purposes;
- c) commercial or business functions which involve bringing into the premises equipment which operates by means of the application of heat;
- d) martial arts activities;
- e) any sporting activity but only in respect of personal injury or damage suffered by one participant that was caused by another participant.

Claims

Construction Industry Scheme (CIS)

Under the Construction Industry Scheme (CIS), [contractors](#) deduct money from a [subcontractor's](#) payments and pass it to HM Revenue and Customs (HMRC).

The deductions count as advance payments towards the subcontractor's tax and National Insurance.

Contractors must register for the scheme. Subcontractors don't have to register, but deductions are taken from their payments at a higher rate if they're not registered.

Who counts as a contractor or subcontractor

[Register as a contractor](#) if either:

- you pay subcontractors for construction work
- your business doesn't do construction work but you spend an average of more than £1 million a year on construction in any 3-year period

[Register as a subcontractor](#) if you do construction work for a contractor.

Work covered by CIS

CIS covers most construction work to:

- a permanent or temporary building or structure
- civil engineering work like roads and bridges

For the purpose of CIS, construction work includes:

- preparing the site, eg laying foundations and providing access works
- demolition and dismantling
- building work
- alterations, repairs and decorating
- installing systems for heating, lighting, power, water and ventilation
- cleaning the inside of buildings after construction work

Exceptions

You don't have to register if you only do certain jobs, including:

- architecture and surveying
- scaffolding hire (with no labour)
- carpet fitting
- making materials used in construction including plant and machinery
- delivering materials
- work on construction sites that's clearly not construction, eg running a canteen or site facilities

The [CIS guide for contractors and subcontractors](#) has more detail on what is and isn't covered by the scheme.

Rules you must follow

1. You must register for CIS before you take on your first subcontractor.
2. You must check if you should [employ the person](#) instead of [subcontracting](#) the work. You may get a [penalty](#) if they should be an employee instead.
3. [Check](#) with HM Revenue and Customs (HMRC) that your subcontractors are registered with CIS.
4. When you pay subcontractors, you'll usually need to make [deductions](#) from their payments and [pay the money](#) to HMRC. Deductions count as advance payments towards the subcontractor's tax and National Insurance bill.

5. You'll need to [file monthly returns](#) and keep full [CIS records](#) - you may get a penalty if you do not.
6. You must let HMRC know about any [changes to your business](#).

Deemed contractors

You count as a 'deemed' contractor if your business does not do construction work but you spend an average of more than £1 million a year on construction in any 3-year period. This could apply to:

- housing association or arm's length management organisations (ALMOs)
- local authorities
- government departments

Exceptions for contractors

CIS does not apply if your work is:

- paid for by a charity or trust
- paid for by a governing body or head teacher of a maintained school on behalf of the local education authority
- on the subcontractor's own property and worth less than £1,000 excluding materials - you must call the [CIS helpline](#) to get an exemption

CIS also does not apply if you're a deemed contractor paying for:

- work on property (that is not for sale or rent) for your own business use
- a construction contract worth less than £1,000 excluding materials - you must call the [CIS helpline](#) to get an exemption

The [CIS guide for contractors and subcontractors](#) explains in full what type of work is covered by CIS.

Verify subcontractors

Before you can pay a new subcontractor, you'll need to 'verify' them with HM Revenue and Customs (HMRC).

HMRC will tell you:

- whether they're registered for the Construction Industry Scheme (CIS)
- what rate of [deduction](#) to use or if you can pay them without making deductions

You must also verify subcontractors you've used before if you have not included them on a [CIS return](#) in the current or last 2 tax years.

What you'll need

Make sure you have:

- your [Unique Taxpayer Reference](#) (UTR)
- the reference number for your HMRC accounts office
- your HMRC employer reference

You'll also need your subcontractor's:

- UTR
- National Insurance number if they're a sole trader - you cannot verify temporary numbers, which start with 'TN' or 2 digits
- company name, company UTR and registration number if they're a limited company
- nominated partner details, trading name and partnership UTR if they're a partnership

Make deductions and pay subcontractors

When you pay a subcontractor, you usually make some deductions from their payments. HM Revenue and Customs (HMRC) will tell you how much to deduct from a subcontractor's payments when you [verify them](#).

You must pay these deductions to HMRC - they count as advance payments towards the subcontractor's tax and National Insurance bill.

If you make deductions, you must give the subcontractor a [payment and deduction statement](#) within 14 days of the end of each tax month.

If you're not making payments

If you know you're not going to make any payments to subcontractors for up to 6 months, you can [ask for your scheme to be made 'inactive'](#). HMRC will not send you any returns for that period.

You must [file a return](#) when you start paying subcontractors again.

File your monthly returns

You must tell HM Revenue and Customs (HMRC) each month about payments you've made to subcontractors through your monthly return.

You can file returns by using:

- the [HMRC CIS online service](#)
- some [commercial CIS software](#)

On your return, you must declare that the subcontractors listed are not [employees](#).

You could get a penalty of up to £3,000 if you give the wrong employment status for a subcontractor on your monthly return.

You do not have to file a return for the months when you made no payments to subcontractors, but you must [tell HMRC](#) that no return is due.
